The Challenge

Shrek no longer wants to be king of Far Far Away….

and the journey to find the new king starts here!

How will it work?

- We are setting kids the **challenge** of helping Shrek find Artie by taking them on several **adventures** around the kingdom (both in-restaurant and online).
- We give them all the inspiration they need to join Shrek on the journey and overcome the challenges.
- Throughout this journey, kids will **discover** more about Shrek, his friends and his quest.
- Result will be a sense of **fulfillment,** as kids will be integral to helping Shrek find Artie.
  - They will be rewarded for their success—both in-restaurant and through the competition.

How will it work?

The journey is separated into 3 stages:

1. Shrek and his friends leave the castle on **The Voyage** in search of the rightful king

2. The adventure continues in **The Forest** and at **The Academy**

3. The adventurers arrive home in **Celebration**, as the new king is crowned

Help Shrek!

Shrek is on a journey to find the new King! His friends have the clues to solve a puzzle and lead you to the new King. Shrek needs your help to find them around the restaurant...

Shrek has huge footprints! Can you guess who the other two sets of footprints belong to?

(ANSWER ON BOTTOM OF SHEET)

Are you ready? Here's what to do....

- Follow the giant footprints to find the first of 8 hidden shields with one of Shrek's friends on it.
- Copy the letter on the shield under the matching shield in the space below (the first one has been completed for you).
- Then follow the clue on the shield to find the next one, filling in the letter each time to solve the puzzle.

Good luck in your Shrektacular adventure!

Congratulations, you've helped Shrek to find the new King!

Take your worksheet to a McDonald's staff member to get your reward.

Things to remember when you're on your journey around the restaurant:

- Always walk, never run!
- All the shields are hidden inside the restaurant, so there's no need to go outside.
- Try not to be too loud—other people will be enjoying their meals.
- Watch out for people carrying food and drink.

The concept

i'm lovin' it i'm lovin' it i'm lovin' it

Bring the Buzz Back

- ***"Draw a flower that you think would bring the bees back and win the chance for us to re-generate an area full of bee-loving flowers & plants for you"***

- Kids draw their flower on the Happy Meal box and write on the back about an area they would want us to re-generate and why
  - We can detail a list of areas for them to pick from; my town hall, church, school community centre etc.

- They pop out their entry and post it to the competition address

- Every entrant is sent:
  - A certificate to say "I've helped to bring the buzz back"
  - Bulb/voucher for a bulb to plant themselves
